

Year 7 Long Term Plan:

T e r m 1	W.C 04.09.23	W.C 11.09.23	W.C 18.09.23	W.C 25.09.23	W.C 02.10.23	W.C 09.10.23	W.C 30.10.23	W.C 06.11.23	W.C 13.11.23	W.C 20.11.23	W.C 27.11.23	W.C 04.12.23	W.C 11.12.23	W.C 18.12.23
	Baseline Rendering	Baseline Measuring	Baseline Oblique Projection (phone)	Baseline Oblique Projection (Van)	Baseline Oblique Projection (Van)	DCP	Feed Forward	Gift in the Box	Gift in the Box	Gift in the Box	Gift in the Box	Gift in the Box	Gift in the Box	Gift in the Box
	Intro to the baseline and rendering with tone	Measuring being able to take measurements and transfer them cutting basic shapes out.	Intro to oblique projection, the stages of how to draw it	Demonstrating the understanding of Oblique Projection by drawing a van.	Mini :Feed Forward Improve, develop or refine their van based on feedback.	Assessment	To address any misconceptions from DCP1	Design Brief and Health and safety	Oblique Projection	Manufacture the wider two sides	Manufacture the thinner two sides	Specification and assembly of box	Manufacturing sanding and assembly of lids	Final Design
T e r m 2	W.C 01.01.24	W.C 08.01.24	W.C 15.01.24	W.C 22.01.24	W.C 29.01.24	W.C 05.02.24	W.C 19.02.24	W.C 26.02.24	W.C 04.03.24	W.C 11.03.24	W.C 18.03.24	W.C 25.03.24		
	Gift in the Box	Gift in the Box	Gift in the Box	Gift in the Box	DCP Assessment	Feed Forward	Phone Stand Repeat Patterns	Phone Stand Repeat Patterns inspired by cultures		Phone Stand Design Brief	Phone Stand Making a block Print	Phone Stand Printing Fabric		
	Cutting and Sanding	Staining and finishing of box	Lesson to address the needs / gaps of the class.	Gift	Assessment	To address any misconceptions from DCP2	What are the 3 different types of patterns	Identify how to select patterns from cultural images, how to simplify them to create a design which can be used for a repeat pattern.		Introduction to the project, what we are going to do and why. Finalising of design	Making a block Print and testing on paper making modifications if needed.	Printing Fabric		
T e r m 3	W.C 15.04.24	W.C 22.04.24	W.C 29.04.24	W.C 06.05.24	W.C 13.05.24	W.C 20.05.24	W.C 03.06.24	W.C 10.06.24	W.C 17.06.24	W.C 24.06.24	W.C 01.07.24	W.C 08.07.24	W.C 15.07.24	W.C 22.07.24
	Phone Stand H&S of a sewing machine	Phone Stand Samples	Phone Stand Pattern	Phone Stand	Phone Stand Manufacturing	Phone Stand Manufacturing	Phone Stand Manufacturing	Phone Stand Manufacturing	Phone Stand Manufacturing	Phone Stand Manufacturing	DCP Assessment	Feed Forward		
	Ensuring student know how to control the machine before manufacturing	Use the machine to practise a seam and a running stitch	Time to write on seam & Cutting the paper pattern	Using the paper pattern to cut out the shape of the fabric	Fold and sew the top and side stitch	Turn it the right way around, and stuff	Sew the stuffing into the pyramid	Measure and sew the flat section for the phone	Hand sew the end with a slip stitch and stuff to stop the phone falling off.	Lesson to address the needs / gaps of the class. Finish Product, sample, or threading the machine	Assessment	To address any misconceptions from DCP2
