

Carlton Keighley : Provider Access Information 2024

Appendix A – Example Trust Provider Access Policy Statement (Carlton Keighley)

Provider Access Policy

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement:

All students from years 7 to 13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships through options events, assemblies, and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of Provider Access Requests

An education or training provider wishing to request access should contact:
Isobel Perrings (Career Leader), email: IPE@ck.catrust.uk, telephone (01535) 210333.

Opportunities for Access

Events integrated into the school careers programme offer providers with an opportunity to come into school to speak to students and/or parents/carers as shown on the following schedule. Please contact the Careers Leader to identify the most suitable opportunity.

Provider Access opportunities can be found below:
