Dear Parent/Carer,

Eid-al Adha Closure Dates

We hope that students have settled well into half-term 6. This year has been a really successful year for the school, and this time of the year always feels really positive, with opportunities for end of year rewards, trips and celebrations.

For a large number of our community, this coming week will also mark Eid-al Adha. We know this is an important time for so many students and their families to come together and celebrate their faith. We understand the importance of allowing those who are celebrating the time to be with their families on this special day.

To support families in their celebrations, school will be closed to all pupils on **Monday 17th of June and Tuesday 18th June.**

We apologise to families for the late notification of this closure. As you will appreciate, dates for Eid celebrations can be movable and we wanted to wait to be able to communicate to families with clarity.

School will reopen as normal on Wednesday 19th June; pupils should arrive at school on this day by 8:25am, fully ready to learn in the correct school uniform with their full equipment.

Thank you for your support with this matter and Eid Mubarak to all our families who are celebrating.

Yours faithfully,

Mark Turvey
Head of School
